These programmes comprise courses at undergraduate and may include courses in English Language and English for specific discipline – based academic purposes.

2 Definition

- 2.1 The Graduate Diploma is intended for award on the satisfactory completion, including formal examination of a prescribed programme of full-time study that is postgraduate in time but not in level, of at least one year full-time or its equivalent in part-time study.

- 3.1 No amendment to the method of examination will be approved by the Academic Board, within seven months of the date of the examination.

4 Programme of Study

- 4.1 The minimum length of the period of study is prescribed in the individual Programme Scheme, but at the start of the programme or at a later stage a Department may require individual students to pursue the programme for a period longer than the minimum period prescribed in the Programme Scheme. The Department shall determine, subject to the provisions for the individual Programme Scheme, the method by which the student is examined.

5 Applications for Exemptions

- 5.1 Applications to the Academic Board by students for exemption from any of the Regulations (other than entrance requirements) will be made via their Head of Department to the Pro-Warden (Teaching, Learning and Enhancement). 7.1 Examination

7.1.1 Schemes of examinations shall be prescribed in the individual Programme Scheme.

7.1.2 To be eligible for a Graduate award a candidate must satisfy the examiners in all parts of the examination prescribed for the programme. 7.2 Re-entry

7.2.1 If a candidate fails or does not submit for a course for which he/she has entered, the examiners may determine that he/she on re-entry will not be required to repeat other courses which he/she may have already passed.

7.2.2 A candidate who does not at his/her first entry successfully complete the examination or part of the examination for which he/she has entered may, subject to the agreement of the Head of Department when such re-entry would involve further attendance at the College, re-enter that examination on **one** occasion. Unless otherwise specified in the individual Programme Regulations such re-entry will be at the next following examination except when the College has granted permission for a candidate to defer re-entry until the examination in a subsequent year.
